

# SPECIAL PRESENTATION

## **Nughejagh:** Indigenous Healing and Healthcare in Alaska

**May 12, 2026**  
**2 PM CST**

**Jelly Firmin**

**Jessica Ross**

All the way from Anchorage, Alaska, Professor Jessica Ross (Dena'ina) and student researcher Jelly Firmin (Koyukon and Gwich'in) will discuss how the Nughejagh project supports culturally responsive, trauma-informed healthcare through traditional practices and cultural connection.

**In Person in Regina, SK or Online via Zoom**  
Registration Required: <http://bit.ly/4u0yfZo>
